

WELL DONE

Yesterday was Kelli Fly's last Sunday with us as our Children's Ministry Director. For the past five years, Kelli has coordinated our efforts at ministry with the youngest portion of our congregation. This was a new position that we created and we were learning as we went but Kelli stepped right in and made it work.

We are saddened at Kelli's departure but thankful to God for what she has accomplished here at Beaver Creek. From Sunday School, to nursery, to Wednesday nights, to special events, and to a host of other duties our ministry to children has been widened. Our Christian Education Committee has been meeting regularly evaluating how best to make sure these ministries continue.

Kelli, for your willingness to give of yourself, for your dedication and service, for using the gifts God has given we say thanks. Job well done.

Thankfully, *Thomas*

WORSHIP SURVEYS

Thank you for your recent response to the worship survey, your voice is important. The worship committee was acting on the direction of the session to ascertain what the church understood contemporary worship to mean and to gage the level of interest. The worship committee is evaluating the responses and will report their findings back to the session. The session will then prayerfully and deliberately consider who we are called to be as we worship God here at Beaver Creek. This process is an opportunity to help us examine, affirm, and fulfill our desire to "make a joyful noise unto the Lord, all the earth" (Psalm 98:4).

ANNUAL RUMMAGE SALE

This coming Saturday, August 8, we will have our annual rummage sale in the FLC gym from 8:00 a.m.—12:00 noon. There are many items you just might need! Anyone who would like to help, please call Tammy Harms at 947-0655. We do need a few good men to help load the remaining items onto trucks after the sale. These items are being donated to the Community Chest here in Powell. All items for the sale need to be in the gym by Wednesday afternoon so they can be priced and categorized. We hope you will make plans to come and shop. All monies from this sale will go toward our pledge to help free the debt on our Denominational Center in Memphis. We thank everyone that has cleaned out and brought items for this sale.

BACK TO SCHOOL BLOCK PARTY!

The youth will be helping serve at **Water Angels Ministries 4th annual Back to School Block Party** On Saturday, August 15, 2009 from 10 a.m. until 2 p.m. Their goal is to provide over 600 new backpacks and school supplies to the children in downtown Knoxville. This is an awesome opportunity to meet some special children downtown, and meet an important need of theirs by providing new backpacks & school supplies, but also a fun day in Jesus' name. Approximately 100 volunteers are needed to make this run smoothly in areas such as setup, carnival games, registration, school supplies, water slides, dunking booth, snow cone machine, contests, prize table, lunch, trash control, security, and clean up. Adults and youth, if you would like to give financially or with your time please contact Billy soon! (For more info, check out the website—thewaterangels.com).
