

CHANGE OF SEASONS

It is a bit chilly this morning. The mercury is not rising as high in the thermometer as it has been in recent days. The leaves are starting to change colors, the reds and golden yellows are slowly emerging on the trees and on the ground. Jackets are being pulled out of closets, heating units are being examined, there is a different feeling in the air. We are moving out of a long summer and trying to embrace the coming of fall.

The seasons are changing and we are changing too. Hopefully, we are changing for the better. The words of II Peter 3:18 are, "Grow in the grace and knowledge of our Lord and Savior Jesus Christ." We can grow and change for the better or we can grow and change for the worse. My prayer is that our growth would be in the right direction. May we be ever attentive to God's voice leading us through a welcome change.

Seasonally, *Thomas*
