### Release and Waiver of Liability

I understand that it is my responsibility to inform my instructor of any medical conditions prior to my instruction. I understand that canoeing and kayaking expose me to water hazards such as boulders, undercut rocks, trees, waterfalls, hydraulics and other obstacles that could result in injury or illness in remote locations. I have no legal duty to assist others, nor does anyone else have a legal duty to assist me. I know that there is always a possibility of unknown, uncontrollable dangers and/ or accidental injury or death. I alone am responsible for my safety when I choose to paddle a particular river, and I willingly assume the risks described in this statement. I hereby release, waive and discharge my right to sue "Chota Canoe Club" or its volunteers.
