

September 2008 Meeting Minutes

The meeting was held at Carrabba's, located at 324 N Peters Rd. The meeting started at 6:30 PM

Clay Guerry did a TVA presentation, some topics included

- Blueways were discussed
- TVA campsites on the Tellico
- Future plans for access were discussed
- Water quality and habitat
- Other agency and non-profits plans and activities
- Maintenance of public areas

Rental Fleet

- Doug Klaras is now maintaining the fleet
- There was a discussion of the need for additional boats, since we ran short during school.
- Doug also made a proposal to buy an extra gear for the fleet at this years GAF
- This was voted on and approved

Conservation

- Several suggestions were made for conservation among them – Friends of the Great Smoky Mountains, TVA – to fund a campsite and provide labor on Tellico
- After much discussion a proposal was made that members should submit proposals for review to be voted on.
- Also discussed was the amount funding that would be available for donation to the conservation efforts. No decision was made as to what the amount would be.

Fort Loudon Lake Assoc.

- Paddle for Clean Water is coming up and needs support

Officers for 2009

- Suggestions are needed
