

Friends of ORNL Membership Application Form

Friends of ORNL (FORNL) is a non-profit organization, founded in 1991, to provide members a way to keep in touch with co-workers, retirees, and current activities at the Oak Ridge National Laboratory (ORNL); provide ORNL a resource of knowledgeable volunteers; and provide community interactions through presentations on technical topics of community interest. Membership is open to ORNL retirees, former and present employees of ORNL, and any person or organization with an interest in ORNL and its programs. FORNL is led by an elected Board of Directors and it functions through topical committees. It holds regular monthly meetings (third Wednesday) with luncheon and invited seminar and it sponsors the periodic Dick Smyser Community Lecture Series.

Dues for calendar years are \$20.00; life membership is \$200.
