

Masses for May 9-17

Priests' Space

Dear Members of Holy Ghost Parish:

Yes, it is Mother's Day. While I cannot be with you in person today let me assure you that I am very much with you in spirit, praying at all my Masses this weekend for all of you but especially for the mothers, grandmothers, great grandmothers, and yes, our great great grandmothers of our parish family.

I am spending the weekend with my mother, Willia, whom many of you know very well and to whom you have been so very, very kin.
