and Caller  
**Nils Fredland**  
and Local Talent

## Band Info:

**Elixir** is a high energy dance band and caller combination that blends superb calling, driving fiddle and guitar playing, and the rich texture and rhythmic excitement of a full horn section. Elixir performs tightly crafted music drawing on a wide range of styles and evoking a variety of moods. Elegant melodies evolve into raucous Dixieland horn riffs; transcendent harmonies, playful improvisations, and rock, swing and reggae-inspired rhythms weave in and out of traditional and original Irish, French Canadian and New England tunes. The **Great Bear Trio** (Andrew VanNorstrand, Noah VanNorstrand, Kim Yerton with Mark Hellenberg (**Pokey**)) has been playing at contra dances for over ten years. They have developed a unique sound and a very loyal fan base, making them one of the most sought after dance bands in North America. Their new album *Rawr!* features the kind of rocking dance music that will keep you moving and grooving all night long!
