**Workshop Description** This is a presentation reflection of an internship in the Deaf Access ESY Program at Imagination Stage in Bethesda, MD during the summer of 2008. I will introduce the program in Bethesda and what they provide for Deaf/h-o-h/low-vision children and their other accessibility offerings for participants to gain an awareness of available options.

**Educational Objectives** Participants will:  
- hear about the presenter's experience while she worked there.  
- learn lessons and areas to develop to work with children's theatre in the future.  
- learn how to work with Deaf children in that environment.
