

LINDSEY JENNINGS FELLOW ANNOUNCEMENT

The Tennessee Lions Charities (TLC) Board on 1-24-09 initialized the LINDSEY-JENNINGS FELLOW program to honor our two living Past International Presidents, Edward M. Lindsey and Austin P. Jennings. Recognizing their lifetime of service at all levels of Lionism has been an inspiration to Lions around the world.

For each \$1000 that an individual or Lions Club donates to TLC they can name a LINDSEY-JENNINGS FELLOW. Each FELLOW will receive a plaque, letter and pin plus assurances that the funds will be used to further the humanitarian work of Lions in Tennessee.

As a special feature of the inaugural program, each club/ individual that sends a donation of \$1000 to TLC by APRIL 15, 2009 and names a FELLOW will receive the honor at our State Convention in May 2009, along with a personal photo with our two living Past Presidents.

We are blessed with the heritage these two Leaders have helped Tennessee Lions forge, and I believe the best way we can honor them is for each Lions Club to select one individual and honor them at this year's State Convention, by donating \$1000 to TLC by April 15, 2009.

In the future I encourage each Lions Club to budget at least \$1000 annually to TLC and continue to honor an individual that has helped your club to do its humanitarian work, through the LINDSEY-JENNINGS FELLOW program.
