- **Steve Eldridge, NHAA President presided**
- **Marilyn Roddy, City Council Representative in attendance**
- **Officers Paidousis, Wooldridge, and others from KPD in attendance**
- **Approximately 64 people total attendance**

**Meeting Agenda**

The meeting was opened with a greeting from Steve Eldridge, President He stated that in lieu of the regular August formal meeting the North Hills Area Association was hosting a special neighborhood appreciation night. He thanked all our friends locally and across the city that came to enjoy the wonderful food and each other and encouraged everyone to get to know each other during the night's festivities.

The menu consisted of pastas with sauces, Texas toast, a caesar salad, beverages, and many home made desserts. The food was all you can eat and was catered by All Occasion Catering on North Central St. Neal Green the owner was present and helped prepare the meal with his staff. The dinner was delicious and received rave reviews from all that attended.

Steve publicly thanked Mr. Green and staff for their excellent work and effort in organizing the dinner. He also went on to thank NHAA Vice President, Bettye James and board member Frances Thomas for their valuable help in coordinating the desserts from so many local residents. Steve complimented the board on their continued efforts to make our area a united and desirable neighborhood to live in. The entire event went off with perfection.

Donations were given to NHAA in the total amount of fifty dollars. The event was free and Steve acknowledged the kindness of the donations and emphasized that all monies are used to better our community.

**The next NHAA meeting is October 22, 2009** and the candidates from across the city that won the primary election in September will speak. These same people will be candidates for the November election in which all of us will vote. Steve encouraged all to vote in the primary. It is nonpartisan.
