

**Oak Ridge Chapter of ASM International**  
**Student Monetary Assistance**

**Goal:** The goal of this fund is to provide students monetary assistance in their quest to explore the field of materials science. It is our hope that this fund will aid a younger generation in their quest to learn more about materials science and encourage them to pursue careers in this field.

**Types of activities supported:** Summer Camps, Conferences, etc.

**Time period for requests:** Requests for reimbursements of activities occurring from April to September are due by October 10<sup>th</sup> and those occurring from October to March are due by April 10<sup>th</sup> for review by the ORCASM executive committee.

**Values:** Requests up to \$200/activity can be requested and each student can make 2 requests each calendar year. ORCASM will award a maximum of \$1000 during each review. Awards may be lower than requested amounts.

**Submission requirements:**

- Receipt of cost (money in advance of activity may be considered in extenuating circumstances)
- Letter requesting award should include:
  - Students name, grade and school
  - Identify activity
  - Explain activities relationship to materials science
  - Value being requested and explanation of what it covers
- Letter from Science teacher or Science club sponsor supporting activity and students involvement
