Pat Hastings Structure In Action
August 14, 2011
6058 Kells Lane, Milford, OH 45150**

** Do not bring dogs to the first night of these classes*

Pat Hastings is well respected in the dog world as an educator, author and AKC Judge. She is well known for her Puppy Puzzle DVD and Books, most notably the new "Structure in Action: The Makings of a Durable Dog." Pat evaluates the structural quality of over 300 litters per year.

WHAT WILL I LEARN AND WHAT IS THIS SEMINAR ABOUT

This Seminar combines Pat Hastings Puppy Puzzle Presentation, as well as Hastings' discussion of the value of structurally evaluating adult dogs that are being considered for a breeding program, working trials or injuries in working and performance dogs.

Dogs will do most anything we ask of them. The question is: Do we want to ask them to do things that they are structurally incapable of doing without breaking down? Is that what we really want to do to our most steadfast companions? The more we learn about canine structure, the more we understand what is reasonable to ask of our dogs, given their physical strengths and weaknesses.

AGENDA

- How to evaluate the structural quality of puppies
- The basics of canine structure
- The weakest links
- How to evaluate the structural quality of your adult dog
- What you dog can do and should not be doing?
- Veterinary input on how to strengthen structure and reduce the risk of injury
- Questions and hands-on work with selected attendees' dogs

Do you want a free spot? Pat will need TWO litters of puppies (mid-sized, not giants, not toys) that will be 7-9 weeks old the day of the seminar. If you are interested, email me (rtezell@gmail.com) for details.

Our vet will be Dr. "Becky" Golatzki DVM, Edgewood Animal Clinic, Edgewood, KY. Becky is a Veterinarian, a breeder, and competitor in Agility and Obedience with her Shelties.

Jedi Jake The Bakerhead, RA

Rambling Gypsy Rose Lee

Jake and Gypsy Take a Road Trip

Jedi Jake the Bakerhead, a 6 year old beagle, earned his Rally Advanced title at the Western Carolina Dog Fanciers Association shows on June 18-19 in Waynesville, NC. Jake did an amazing job, coming in first place on Saturday with a score of 97 and winning a beautiful, handmade bowl. He came in third place for his run on Sunday. Not too shabby for a scrawny, little, hound pup that my uncle purchased from a Granger County farmer for only \$50.

Additionally, Rambling Gypsy Rose Lee, a 2 year old rescue Rottweiler made her official Rally debut at the Waynesville shows. She did phenomenally, coming in 2nd place in Novice B on both days with a score of 97 on Saturday and 98 on Sunday. What a pup!

Jake and Gypsy are co-owners of Wendy Smith, whom they like to amuse by letting her think that she is actually the boss.

Doc takes 3 pt Major at Supported Entry!

Dalarno Thyme To Draw, handled by owner Jessica Weaver, took WD/BOW on Sunday at the Asheville Kennel Club shows. It was a very special win because this was his first major, and it was a supported entry under a respected breeder judge, Mrs. Janet Robinson. Doc just needs one more major and he will be finished!! We are so proud of Doc and all he has done at only 14 months old. He is such a fun dog to show!
