AKC Welcomes Three New Breeds

On June 1, the American Kennel club added three breeds to its registry. Below are brief descriptions of these new additions.

American English Coonhound - Comparable to a well-conditioned athlete, this hound is an avid hunter known for its tremendous speed and loud voice. Originally these hounds were used to hunt fox by day and raccoon by night in the American colonies. Today, they still need regular daily exercise to stay in shape. They are affectionate dogs that appear alert and confident and make great companions for active owners. American English Coonhounds are sociable animals that get along well with people and other dogs. They are very trainable and eager to please.

Finnish Lapphund - An alert and agile dog. The first Finnish Lapphunds were the helper dogs of the Sami – a tribe of semi-nomadic people in the northern region of Finland, Sweden, and part of Russia called Lapland. Because they were

originally bred to live and work outside north of the Arctic Circle herding reindeer, Finnish Lapphunds have a thick double coat. They are intelligent, eager to learn, and are calm and friendly with people. They make loving and devoted family pets that do well with children and other dogs.

Cesky Terrier - Intelligent and full of energy, this terrier was bred to hunt vermin, fox, and badger, among others. They are active dogs that love to play, and require daily exercise. Cesky Terriers are loyal to their families, patient, gentle, and get along well with people of all ages, making them a wonderful family pet. They are anxious to please and easy to train. Their coat requires daily grooming as puppies and brushing twice a week as adults.

Corrie Leaves Her Mark!

ARBA and UKC CH. RedGold's Girl of My Dreams, "Corrie", CGC, a Kooikerhounje owned and loved by Janie and Joe McDonald, earned her Rally Novice title at the recent Tennessee Australian Shepherd Club Show with an average score of 191. Many thanks to all of you who taught and encouraged us and to the Tennessee Australian Shepherd Club for providing a venue in which to show.

My Village Idiots Do it, Again!

Jedi Jake The Bakerhead, RA

Jake, a 7 year old beagle, earned his ASCA Rally Novice title at the TASC Show in June. He did great, picking up third place in both of the first two trials. Additionally, in the second trial on Saturday, he was awarded the highest scoring dog of another breed ribbon.

Gypsy also earned her Rally Novice title at the ASCA shows. Gypsy is a 2 year old rescued Rottweiler. This marks her first official title and was only the 2nd time that she has actually competed (the first being just the previous weekend).

Both dogs also earned two "X" ribbons each by earning a score over 195 on two of their runs. Jake and Gypsy are owned by Wendy Smith, who would like to thank TASC for such a fun venue and the opportunity to give these guys some much needed ring experience.

New Arrivals

Pictured is our Fern Hill Pennyroyal CDX RE JH CGC with her litter of 7 puppies by UH Trifecta's Shag-edelic *** MH CD. Penny had these puppies on her own birthday, May 28, 2011. All of them have gone to their new homes now except the girl we are keeping, and Penny is working on getting her figure back. She will be back out competing this fall, hoping to finish off her Utility title. This is Penny's last litter, so we won't have any more interruptions for mommyhood! Penny is out of our Hilfy (Adirondac Hilfy of Fern Hill) and by AFC AFTCH Rosehill's Mr. Speaker MH CCA FDHF OS.

The puppies are scattered from Iowa to Florida, and from Boston to North Carolina. One of them was selected by Southeastern Guide Dogs as a potential breeder, and it was very interesting to learn about the training and testing that he will go through beforehand. We hope that he will do very well, and we are proud that one of our breeding was chosen to pursue such a very worthwhile career helping others. Others will be involved in obedience and hunting -- and of course as family pets!

Introducing our new puppy, a charming girl by UH Trifecta's Shag-edelic *** MH WCX CD out of our Fern Hill Pennyroyal CDX RE JH CGC. She doesn't have a name yet, except for her puppy name -- "Pink" -- but we will have it figured out by the time puppy classes start in the fall.
