

Oak Ridge Nursery School Maintenance Agreement

Oak Ridge Nursery School Inc. is a nonprofit organization maintained by you, the parents. To foster parent involvement and to ensure the continued upkeep of our school, each family is required to perform 24 hours of service per year (September 1 through August 31) or pay \$480 per year. The service or payment will be assessed on a quarterly basis: September 1, December 1, March 1 and June 1. The following are details of the maintenance policy:

- Almost all parent activities count, including maintenance of the building and grounds, participating in fund raisers, room-parent activities, school party events, babysitting at parent meetings, and workdays and special projects.
- Workdays are held regularly on the second Saturday of every month beginning at 9:00am. Parents are asked to stay at least until noon. Some jobs may require longer attention.
- The service (or payment) requirements are the same for part-time or full-time families and children taking the summer off.
- Single parents are only required to contribute 12 hours or \$240 per year.
- Additional children from the same family will not necessitate additional service or payment.

The upkeep and maintenance of our aging building is a vital part of the continued success of Oak Ridge Nursery School. Parent involvement is required for ORNS to be able to maintain the high standards that we have set for our school. Please list any particular skills you have that might benefit the school and that you are willing to share (for example: computer; carpentry/plumbing or other maintenance; grant writing or publicity; teaching; fund-raising; artistic) so that we can call on you when necessary.
