

## Message from the President

I had several people tell me at our last pancake breakfast how well run they thought everything was. I couldn't agree with them more. What they didn't know, of course, was how much time and planning went into putting on such a large event or how many people volunteered their time on Friday and Saturday or got up early on a Friday morning and cooked sausage all morning long in a hot stuffy kitchen or flipped pancakes, or washed dishes or baked quiche or cleaned and set tables, directed traffic, and the list goes on...many more jobs, many more volunteers. All important, all necessary! No, this wasn't a typical day at the Cracker Barrel...this was a typical pancake breakfast put on by the Tellico Village Kiwanis Club. Amazing! Amazing that so many of our members are willing to volunteer so much of their time to put on such a successful event. On November 1<sup>st</sup>, we served over 700 people without a hitch! Was it easy? NO! Just ask chairman Fred Kyle and his crew of over 60+ volunteers who pitched in and did such a marvelous job!...and what a job they all did! It seems like every pancake breakfast we put on, things seem to get better and better and this one was no exception. Lines were shorter and moved quicker, tables and seating were quickly available, hot food served without running out, hot coffee refilled and placed on the tables and, well, you know. Things just seemed to run well...which is why I hear from so many people about why they enjoy coming to the breakfast. It's because we are good at what we do and we are indeed blessed to have such a great club that can do so much when we set our minds to it. Thanks again to all of you who helped to make this another great event for the club and especially for the people of our community.

Terry

## Terrific Kids

Terrific Kids are awarded their certificates in front of their classmates at Highland Park Elementary. They fulfilled their commitments to improve some area of their personal education or behavior that they chose for themselves. As can be seen from their smiles. They are happy with their accomplishments and proud to receive their honors in front of their classmates.

Chuck Hitch, Woody King and Don Whiteman were on hand to make the presentations.

## Tellico Village Honors

Folks,  
 I just wanted you all to know that our own Woody King was selected as the winner of the POA Volunteer Honor Award in Education at the POA dinner held yesterday. CONGRATULATIONS WOODY! Woody said that his work in developing the "Making Good Choices" program played a significant part in his selection as the winner. Woody joins our own Bud Burger who also won the award some years ago and another one of our winners was Ed Conte who won in the same category in 2002. The club is indeed proud to have such talented, dedicated and hard working members in our club.  
 If you can, please take the opportunity to wish them all a hearty Congratulations" for a job very well done.  
 Terry

## Changes in Leadership

After two years as Chairman of Youth Services Committee, Bob Frazer has decided to focus his attention on helping the club in other ways. Of course, as most of you know, Bob and his committee have done an outstanding job and the club is much better off thanks to their hard work and dedicated effort. Of course Bob will still remain an active member of the committee. Replacing Bob as Chairman of Youth Services will be Chuck Hitch. Chuck was previously Vice Chair of Youth Services and has worked closely with Bob and the committee for some time with their projects. Replacing Chuck as vice chair, will be Ray Scott. Ray has been a very active member of the committee since joining the club in 2007 and will continue to work closely with Chuck in guiding the work of the committee. Many thanks to Chuck and Ray for stepping up and helping take the reins of leadership. All of our committees are important to the success of our club and we are indeed blessed to have such talented leaders to help guide us.

## Meeting Notes:

Don Whiteman introduced Joe Berger who presented the club with a check in support of the Terrific Kids program. Joe, a McDonald's franchisee, funded the T-shirts that are given to kids who achieve multiple goals.

### Pancake Breakfast:

The November pancake breakfast was another huge success for the club and the community. In spite of the economic slowdown, hundreds of Villagers turned out. Members and the Key Clubbers did another fine job of preparing and serving pancakes and quiche.

### Speaker:

Jim Petrie of the Tennessee Department of Environment and Conservation spoke to the November 18th meeting about the dangers of Radon gas in our homes. As it turns out, this area has one of higher incidence of radon. Jim and his colleagues from TDEC passed out free test kits for members to test their home environment. Lung cancer induced by radon is second only to smoking. So, test your home as soon as possible and be prepared to take corrective action.
