

## K-T District Convention

We just returned from the Kiwanis Kentucky-Tennessee District Convention in Lexington, Kentucky...we, being Al Porell, Don Klein, Helen Nicholson, Don Whiteman and myself...and we have some great news for you. We are excited to tell you that our club was the recipient of some awards...and here they are:

**FIRST PLACE** (In the entire Kentucky-Tennessee district) for our **Club Brochure** (will now be entered into national competition)

**THIRD PLACE** (In the entire district, clubs 71-100) **Club Newsletter**

**THIRD PLACE** (In the entire district, clubs 71-100) **HAPER-GATTON AWARD, 2008-2009 Interclub Award**

**ADMINISTRATIVE EXCELLENCE AWARD, DIVISION 4**

The co-winners for the club scrapbook competition were Hopkinsville, KY and Maryville, TN, but our scrapbook was still one of the best entries submitted in the opinion of our club representatives and received many compliments from the attendees citing creativity, organization, content and presentation as some of the outstanding qualities of our entry. This club is deeply appreciative to Adele Gardner who did an outstanding job designing and organizing our scrapbook. While we may not have brought home the top prize for this competition, Adele Gardner is a winner!!...and so is the Tellico Village Kiwanis Club who made all these awards possible. When you consider that there are 165 clubs in the district, you can appreciate how proud we are of this great club of ours!! More at our next meeting.

## Meeting News

The club had a couple of great programs this past month. Ruth and Paul Thornton blessed us with some great pictures and news from their recent trip to Kenya. On the following page are some letters from the appreciative people they visited. Besides their own contributions to the school and orphanage, Ruth and Paul relayed funds given by the club and other friends. Thanks, guys.

On the 18th, Bob Kryter brought Bobby Whitten of Oak Ridge National Laboratory to talk us about supercomputers. What a load of information he brought. He gave a great talk on what a supercomputer is, who has the fastest (ORNL at the moment) and how they are used. It was duly impressive.

President Terry Boyes presented Al Porell the Legion of Honor award for serving 27 total years of service in Kiwanis and he also received a Ruby K award for recruiting 125 new members into Kiwanis. Don Klein received a Ruby K award for recruiting 40 new members into Kiwanis.

## INTERCLUB MEETINGS

There are only two more Interclub's this fiscal year, Tellico Plains and Roane County. These are both good trips. The Tellico Plains club is unique. If you haven't been there, now is the time to go. Roan County always has a good program. They meet at the community college and have a lot of good material to draw from at the college and in the community.

Sign up with Bob Delaney this Tuesday.

In August we had a couple of Interclubs. Sweetwater is always a good trip. The home of our Past Lieutenant Governor, and Outgoing Lieutenant Governor, Lisa McKlung, the club meets at the Dinner Bell. It is one of the most friendly clubs you will find. I believe every member came up to us and shook our hand in welcome. Bob Frazer, Jim Brown, Sr., Bob Delaney, and Ron Uncapher enjoyed meeting with the club and their speaker, Andy Houck. Andy Houck had a good presentation on how to keep your mind sharp and prevent losing brain cells.

Bob Delaney is going to turn over Interclub duties to Paul Smith in the near future. Bob has done a great job for the past several years in keeping the club at the top of the interclub heap. Thanks, Bob.
