April 2007

Dear Neighbor,

Aren't you glad to have an active community association looking out for you?

Since formation in May 2001, your Wesley Neighbors Community Association has improved your neighborhood in many important ways:

- # **A Cleaner Neighborhood:** Our anti-litter team and our annual Great American Cleanups are making our neighborhood one of the cleanest in Knoxville. Our quickly reporting graffiti to police and painting it over have kept our neighborhood free of this common urban blight. Our strength on illegal signs has kept our neighborhood free of that tacky clutter.
- # **A Safer Neighborhood:** Our close working relations with the Knoxville Police Department contribute to keeping your neighborhood crime free and safe for you and your family and friends. Our ongoing efforts to control speeders, stop-sign runners, and reckless drivers are making our streets and front yards safe for everyone.
- # **A More Beautiful Neighborhood.** Our landscaping at the main entrance, our gardening tips, our strength on property ordinances, and our annual Daffodil Sales help make our neighborhood more and more beautiful.
- # **A Cohesive Neighborhood.** Our regular meetings and events, our monthly newsletters, and our e-mail network bring people together. Our National Night Out is among the more successful in West Knoxville. Our annual Holiday Dinners are always fun events.

Wesley Neighbors' activities make your neighborhood a better place to live, raise families, and retire. They also increase the value of everyone's property, which maximizes the return on everyone's investment.

To cover normal operating expenses, Wesley Neighbors relies on annual dues. Our \$10 annual dues are considerably lower than other neighborhood's (such as Deane Hill's \$25).

Please write your check to "Wesley Neighbors Community Association," write "2005/2006 dues" in the memo line, and mail it to me at the address on this letterhead. You will be glad you helped make your Wesley Neighborhood a better place to live, and your contribution will be sincerely appreciated.

Sincerely,

Bill Stack, President
